"GIRLS WILL BE GIRLS"

Has Been Booked For Appearance At the Traders Grand Opera House On Thursday, January 4.

William A. Brady's big musical comedy in "Girls Will Be Girls," comes to the Traders Grand on Thursday, Jan. 4.

The play was brilliantly successful on the road last season and has just closed a highly successful engagement at the 14th Street Theatre, New York, where it played to crowded houses for six weeks.

One of the most interesting points of this production is the appearance of Al Leach as a star at the head of the Brady company. For ten years Leach and his "Rascals" have been headliners in vaudeville and have been counted among the most popular favorites in variety houses.

"Girls Will Be Girls" was written by R. Melville Baker and Joseph Hart with several musical numbers added this season by A. B. Sloane composer of "Sergeant Kitty," "The Mocking Bird," "Cupid & Co." and a host of popular airs. The piece is filled with screamingly funny lines, features and novelties.

At Leach and the three Rascals carry the burden of the fun-making supported by a clever and peculiarly attractive company, including a large number of beautiful girls whose ability in both song and dance is said to be very far above the standard of the average musical comedy chorus.

There are more than thirty musical numbers in the play, including a pretty Japanese specialty, "May O San" and some spectacular bits.

"The Marriage of Kitty" Coming. Manager Jules Murry, who has presented so many successful stars and plays, has acquired all the American rights to that brilliantly successful semi-musical comedy, "The Marriage of Kitty," and will soon present it here with a splendid cast headed by those well known and favorite players, Bettina Gerard and Max Figman. This fascinating comedy was the great hit of last season in New York and of the preceding year in London. The scenery is extremely beautiful and the electrical effects which are striking and novel are certain to arouse enthusiastic applause everywhere. They are exact duplicates of the New York and London settings.
